ECO CABLE becomes E Path –
our commitment to net-zero goals
via sustainable cables and solutions.

ECO CABLE

BECOMES **E Path** –
OUR COMMITMENT TO
NET-ZERO GOALS VIA
SUSTAINABLE CABLES
AND SOLUTIONS.

ECO CABLE, the first low-impact solution in the
cable industry, becomes **E Path**,
a concept related to a low-impact portfolio that:

* Bureau Veritas has verified that activities related to E Path are carried out in compliance with the Prysmian protocol; furthermore, the bureau audited the production process of E Path labelled cables in the Emmen factory.

E Path is our pledge to provide transparent and clear indications and information, using recognised criteria, on the sustainability of our cables and solutions based on our three key drivers: **SUSTAINABILITY**, **RELIABILITY** and **QUALITY**.

Our commitment to the planet!

Discover **E Path** to make homes,
offices and infrastructure more
sustainable.
